Dear Stekk;

I sincerely appreciate all the work and particular attention that you and your team take in finding the perfect J1's to work at the resort. The Peruvians that worked this past winter were not only good workers; they were also a pleasure to be with. The current team of J1's from Moldavia is also of the same caliber of workers. I am truly amazed that you are able to match up the right people with the right company.

I am extremely happy to hear that you are able to make the necessary arrangements to send back 4 of the 5 Peruvians plus hearing that they specifically requested to return to our resort. Everyone in the department is excited that they will be joining us once again in November.

I look forward to continuing our work relationship and meeting more of the fine students for different parts of the world. Congratulations on your continuing success!!

Sincerely,

Helen L. Dallaire Walker,
Executive Housekeeper
